Approved by AICTE New Delhi, Govt. of Maharashtra & Affiliated To Savitribai Phule Pune University.

4.2.4: Percentage per day usage of library by teachers and students (Data for the latest Completed academic year-1 week)

4.2.4.1. Number of teachers and students using library per day in a week.

1. Library-per day Usage

Institution central library has great numbers of books, journals, e-journals, magazine that attract the stack holder. Percentage per day usage of library by teachers and students is calculated using a number of student and teacher visited to library section in the date 09/10/2023 to 14/10/2023 as follows.

Library usage between (09/10/2023 to 14/10/2023)

- 1) Circulation-Book Issue /Return (09/10/2023 to 14/10/2023) - total number = 123
- 2) Central Library reading room-total number = 576
3. Central Library staff visited =27
- 4) DELNET e-access total number =38
- 5) Xerox facility = 14

Total number of staff and student visited to Library = 123+576+27+38+14= 778

Therefore Number of teachers and students using library per day=778/6= 129.66

2. Percentage per day usage of library by teachers and students

| Sr. No. | Description | Number |
|---------|--|---|
| 1 | Total number of student | 890 |
| 2 | Total number of staff | 71 |
| 3 | Number of teachers and students using library per day | 129 |
| 4 | Percentage per day usage of library by teachers and students | 129×100 ----- = 13.42 (890+71) |
