Savitribai Phule Pune University
Second Year of Engineering (2019 Course)
210251: Audit Course 3

In addition to credits, it is recommended that there should be audit course in preferably in each semester from second year. Student will be awarded the bachelor's degree if he/she earns 190 credits and clears all the audit courses specified in the syllabus. The student will be awarded grade as AP on successful completion of audit course.

The student may opt for one of the audit courses per semester, starting in second year first semester. Though not mandatory, such a selection of the audit courses helps the learner to explore the subject of interest in greater detail resulting in achieving the very objective of audit course's inclusion.

List of options offered is provided. Each student has to choose one audit course from the list per semester. Evaluation of audit course will be done at institute level itself. Method of conduction and method of assessment for audit courses are suggested.

Criteria:

The student registered for audit course shall be awarded the grade AP and shall be included such AP grade in the Semester grade report for that course, provided student has the minimum attendance as prescribed by the Savitribai Phule Pune University and satisfactory in-semester performance and secured a passing grade in that audit course. No grade points are associated with this 'AP' grade and performance in these courses is not accounted in the calculation of the performance indices SGPA and CGPA. Evaluation of audit course will be done at institute level itself.

Guidelines for Conduction and Assessment (Any one or more of following but not limited to):

- Lectures/ Guest Lectures
- Visits (Social/Field) and reports
- Demonstrations
- Surveys
- Mini Project
- Hands on experience on specific focused topic

Course Guidelines for Assessment (Any one or more of following but not limited to):

- Written Test
- Demonstrations/ Practical Test
- Presentations
- IPR/Publication
- Report

Abbreviations: TH: Theory, PR: Practical, TUT: Tutorial, ISE: In-Semester Exam, ESE: End-Semester Exam, TW: Term Work, OR: Oral

Note: Interested students of SE (Automobile Engineering and Mechanical Engineering) can opt for any one of the audit course from the list of audit courses prescribed by BoS (Automobile and Mechanical Engineering)

Instructions

- Practical/Tutorial must be conducted in three batches per division only.
- Minimum number of required Experiments/Assignments in PR/ Tutorial shall be carried out as mentioned in the syllabi of respective subjects.
- Assessment of tutorial work has to be carried out as a term-work examination. Term-work Examination at second year of engineering course shall be internal continuous assessment only.
- Project based learning (PBL) requires continuous mentoring by faculty throughout the semester for successful completion of the tasks selected by the students per batch. While assigning the teaching workload of 2 Hrs/week/batch needs to be considered for the faculty involved. The Batch needs to be divided into sub-groups of 5 to 6 students. Assignments / activities / models/ projects etc. under project based learning is carried throughout semester and Credit for PBL has to be awarded on the basis of internal continuous assessment and evaluation at the end of semester.
- Audit course is mandatory but non-credit course. Examination has to be conducted at the end of Semesters for award of grade at institute level. Grade awarded for audit course shall not be calculated for grade point & CGPA.

202046 - Audit Course - III

Teaching Scheme	Credits	Examination Scheme
-	-	-

GUIDELINES FOR CONDUCTION OF AUDIT COURSE

Faculty mentor shall be allotted for individual courses and he/she shall monitor the progress for successful accomplishment of the course. Such monitoring is necessary for ensuring that the concept of self learning is being pursued by the students 'in true letter and spirit'.

- If any course through Swayam/ NPTEL/ virtual platform is selected the minimum duration shall be of 8 weeks.
- However if any of the course duration is less than the desired (8 weeks) the mentor shall ensure that other activities in form of assignments, quizzes, group discussion etc. (allied with the course) for the balance duration should be undertaken.

In addition to credits courses, it is mandatory that there should be an audit course (non-credit course) from second year of Engineering. The student will be awarded grade as AP on successful completion of the audit course. The student may opt for any one of the audit courses in each semester. Such audit courses can help the student to get awareness of different issues which make an impact on human lives and enhance their skill sets to improve their employability. List of audit courses offered in the semester is provided in the curriculum. Students can choose one of the audit courses from the list of courses mentioned. Evaluation of the audit course will be done at institute level.

The student registered for audit course shall be awarded the grade AP and shall be included such grade in the Semester grade report for that course, provided student has the minimum attendance as prescribed by the Savitribai Phule Pune University and satisfactory in-semester performance and secured a passing grade in that audit course. No grade points are associated with this 'AP' grade and performance in these courses is not considered in the calculation of the performance indices SGPA and CGPA. Evaluation of the audit course will be done at institute level itself.

Selecting an Audit Course

List of Courses to be opted (Any one) under Audit Course III

- Technical English For Engineers
- Entrepreneurship Development
- **Developing soft skills and personality**
- Design Thinking
- Foreign Language (preferably German/ Japanese)
- Science, Technology and Society

The titles indicated above are subject to change in time to come and such an alteration (if any) should be brought to the notice of the BoS.

Using NPTEL Platform: (preferable)

NPTEL is an initiative by MHRD to enhance learning effectiveness in the field of technical education by developing curriculum based video courses and web based e-courses. The details of NPTEL courses are available on its official website www.nptel.ac.in

- Students can select any one of the courses mentioned above and has to register for the corresponding online course available on the NPTEL platform as an Audit course.
- Once the course is completed the student can appear for the examination as per the guidelines on the NPTEL portal.
- After clearing the examination successfully; student will be awarded with a certificate.

Assessment of an Audit Course

- The assessment of the course will be done at the institute level. The institute has to maintain the record of the various audit courses opted by the students. The audit course opted by the students could be interdisciplinary.
- During the course students will be submitting the online assignments. A copy of the same can be submitted as a part of term work for the corresponding course.
- On the satisfactory submission of assignments, the institute can mark as "Present" and the student will be awarded the grade AP on the marksheet.

GUIDELINES FOR CONDUCTION OF AUDIT COURSE

In addition to credits courses, it is mandatory that there should be audit course (non-credit course) from second year of Engineering. The student will be awarded grade as AP on successful completion of audit course. The student may opt for two of the audit courses (One in each semester). Such audit courses can help the student to get awareness of different issues which make impact on human lives and enhance their skill sets to improve their employability. List of audit courses offered in the semester is provided in the curriculum. Student can choose one of the audit course from list of courses mentioned. Evaluation of audit course will be done at institute level.

The student registered for audit course shall be awarded the grade AP and shall be included such grade in the Semester grade report for that course, provided student has the minimum attendance as prescribed by the Savitribai Phule Pune University and satisfactory in-semester performance and secured a passing grade in that audit course. No grade points are associated with this 'AP' grade and performance in these courses is not accounted in the calculation of the performance indices SGPA and CGPA. Evaluation of audit course will be done at institute level itself.

NATIONAL SERVICE SCHEME

Name of Event: Skill Development & Leadership

Name of Coordinator: Prof. G. S. Patil

Name of Guest : Mr. Prakash Lokhande

Participants: Teaching, Non-Teaching Staff and Students

Date: 14/02/2023

Event Report:-

Leadership and other interpersonal skills are also essential for engineering students. For increasing students' skill Shri Chhatrapati Shivaji Maharaj College of Engineering organizes so many events and seminars. Shri Chhatrapati Shivaji Maharaj College of Engineering organized a guest lecture on skill development and leadership. The Name of the speaker was Mr. Prakash Lokhande. Prof. A. G. Dekhne had introduced the speaker Mr. Prakash Lokhande. Princiapal Dr. Y. R kharde had felicitated the guest. It was attended by Teaching, Non-teaching faculty members and Students of the college with great enthusiasm.

After then Mr. Prakash Lokhande Sir started the session. He had explained the importance of meditation. Meditation is an ancient practice that has been used for thousands of years to calm the mind and promote a sense of inner peace. In recent years, meditation has become increasingly popular among people of all ages and backgrounds, including students. Many students today are facing high levels of stress, anxiety, and pressure to perform academically, which can take a toll on their mental health and overall well-being. Meditation not only helps the students to succeed academically, but also brings peace and tranquillity in their personal domain.

He taught about how leadership skills are important in our career and life. Analyse your strengths and weaknesses. Communicate effectively, Encourage enthusiasm and a sense of belonging. Keep everyone working toward agreed upon goals, Treat others as individuals Accept responsibility for getting things done. Problem solves in a step-by-step way. He gave lots of knowledge about meditation and leadership skills.

This informative session has ended up with the vote of thanks given by Prof. S S Aagle.

Name of Event: General Health Tips for Girls

Name of Coordinator: Prof. G. S. Patil

Participants: Teaching, Non-Teaching Staff and Students

Date: 28/09/2022

Event Report:-

A health camp was organized in our college for Girl students well as lady's faculty members to spread awareness about health check-up and maintaining a healthy life. The program started at 11.00 a.m with the Welcoming of Guest Dr Anam Shaikh and their team members and then introductory speech given by our respected principal Dr Y. R. Kharde. Doctor's team which came to our college by 11a.m we were all asked to make a line and get our height and weight checked to calculate BMI (body mass index) which explains whether the person is unhealthy or not. By 11.30am every student with staff got themselves checked for BMI, blood report and other health conditions if any. We all were advised some type of food and exercises by the doctors to maintain a healthy lifestyle. All Students were happy to know about so many things which we can learn from doctors. Doctor said every college should organize these kinds of campaigns to ensure healthy environment in college. The program ended with an overall report by the doctors about health of students and teachers which said we all were healthy and can improve. I thank all the doctors and nurses for their time and consideration for our school.

NATIONAL SERVICE SCHEME

Name of Event: International Yoga Day

Name of Coordinator: Prof. G. S. Patil

Participants: Teaching, Non-Teaching Staff and Students

Date: 21/06/2022

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice which plays an important role in relaxing the mind and body and boosting people's immune system.

Today, on 21st June 2022, Shri Chhatrapati Shivaji Maharaj College of Engineering, Ahmednagar, celebrated 8th International Yoga Day. It was attended by Teaching, Non-teaching faculty members and Students of the college with great enthusiasm.

The event began with a brief introduction on Yoga Day by Registrar Mr R. K. Satput and by welcoming the guest Mr Sunil Giri Goswami.

Warm up exercises were taken and all the students practiced & performed sitting and standing asanas, importance of these were explained simultaneously. He encouraged students to practice regular yoga to remain fit and improve concentration.

All Faculties, Staff and Students were taught the importance of Yoga in their life & how to maintain Harmon between body and mind. The students discussed the importance of yoga and also exhibited yoga postures and promised to introduce this activity in their daily lives.

International Yoga Day celebrations ended with a huge success under the supervision of NSS Program Officers Prof G. S. Patil. And Physical

Director Mr. A H. Handal. The function ended with a vote of thanks given Prof. Y
A Sisodiya.

Event Report:-

The event was organized by NSS department. Swami Shrikant Anand Maharaj talked about Swami Vivekanand. Swami Shrikant Anand Maharaj told history of Swami Vivekanand. Swami Vivekanand is the greatest youth icon and one that influenced millions of youths across the world. His ideas can be understood by this fourfold mantra to live a meaningful life – Physical, social, intellectual, and spiritual quest. He believed that youth is the foundation of a country and they are a great asset to any nation as they are full of energy, enthusiasm, and innovative ideas. He called for channelising their energy in the right direction so that they can drive the country on the path of progress. He always encouraged youth to work for the betterment of the country as he asked the youth to organise for nation-building and take various initiatives.

1. Believe in god until you believe in yourself.
2. Many youths were inspired to ideas of social-service and character-building.
3. To motivate student to make india a role model for other nations.
4. To motivate student for educate themselves and emphasised how service should be the focus of their lives.

NATIONAL SERVICE SCHEME

Name of Event: Blood Donation Camp

Name of Coordinator: Prof. G. S. Patil

Participants: Teaching, Non-Teaching Staff and Students

Date: 10/03/2023

Event Report:-

A Blood donation camp was organized by our NSS unit, in collaboration with Jankalyan Blood Bank, Ahmednagar through which more than 45 units of blood was donated by both students and the staff members of our Institute. Principal Dr. Y. R. Kharde, all teaching and non -teaching staff and students were present for inauguration of the Blood Donation camp.

Principal Dr. Y.R. Kharde expressed his opinion that gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. We need 12 million units of blood every year but just about nine million units are being donated. Our college has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. Blood donation can save lives of innumerable persons. It was an effort to motivate students to come forward and donate for this noble cause. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too. By taking this in consideration this camp is organized.

After the inauguration the blood donation camp was started at 11.00 AM. Students and staff also registered their names to donate blood. The process is completed one by one. The team is very supporting. They were taking care of donator's. At 4.00 PM the camp had ended up the work. At the end of the camp Prof. Akshay Dekhane had given the vote of thanks.

Name of Event: Road Safety Event

Name of Coordinator: Prof. G. S. Patil

Name of Guest:- Sufresh Kites Pvt. Ltd.

Participants: Faculties, Teaching, Non-Teaching Staff and Students

Date: 20/09/2022

Event Report:-

A road safety program was arranged at for the awareness Program was organized by our institute on 20th SEP 2022. In this regard all the students of SCSMCOE are attended to the program. The NSS coordinator Prof. G. S. Patil extended a welcome to the resource Team.

Driving is an essential activity of daily life; however any loss of function may impact driving safety. Improved survival rates after stroke or brain injury and an ageing population mean there will be greater numbers of people with cognitive impairment who wish to continue, or resume, driving.

Resource team had an interactive session with the students of SCSMCOE and make them aware of the importance of Road safety. Also they addressed about the safety measures to be taken to overcome Road accidents. The Team focussed on the rules and regulations of road transport. Speed control and traffic rules and protocols, also told that being a citizen one must follow the road transport protocols for their safety. Students were impressed with the program. On this program all department's students were attended and got awareness on How to be safe and follow the Protocols for their safety.

They had discussed about the causes of road accidents such as not wearing helmets for most cases, over speed, drink & drive, using mobile phones on road & many more. As well as issues like seat belt usage, blind spots, emotional driving fatal,

major, minor and damage levels - along with their respective causes and effects on personal & society.

The resource team had given a demo p on how to ride safety on the institution's ground practically. The resource team taught students how to drive safety, do's and don'ts while driving. They had also given a demo of driving. Students have also participated and taken test drive as per resource person's instructions. Students Learned how to implement these road safety measures, which is essential to create a safer environment for all road users and society as a whole.

Respected Principal Sir, All HOD's, NSS Officer Prof. G. S. Patil, all teaching and non- teaching members and students had participated in this event. At the end of the program vote of thanks is given by Prof. A. K. Kulkarni.

Name of Event: Stress Busting: Living a Stress free Life

Name of Coordinator: Prof. G. S. Patil

Name of Guest : Mr. Girish Kukreja

Participants: Teaching, Non-Teaching Staff and Students

Date: 31/01/2023

Event Report:-

In order to make students aware about how to deal with stress Shri Chhatrapati Shivaji Maharaj College of Engineering had organized a guest lecture on Stress Busting : Living a Stress free life. The Name of the speaker was Mr. Girish Kukreja. Prof. G. S. Patil had introduced the speaker Mr. Girish Kukreja. After that Principal Dr. Y. R Kharde had felicitated the guest. It was attended by Teaching, Non-teaching faculty members and Students of the college with great enthusiasm.

Then after Mr. Girish Kukreja Sir started the session. He guided us how stress occurs. How our mental health is necessary. Try these 10 stress-busting suggestions: he given a ten keys of stress busting Be active. Exercise won't make your stress disappear, but it can reduce some of the emotional intensity that you're feeling, clearing your thoughts and letting you deal with your problems more calmly. Get started with exercise, take control If you think you cannot do anything about your problem, your stress can get worse.

That feeling of loss of control is one of the main causes of stress and lack of wellbeing. The act of taking control is empowering, and it is a crucial part of finding a solution that satisfies you and not someone else. Connect with people. A good support network of colleagues, friends and family can ease your work troubles and help you see things in a different way. The activities we do with friends can help us relax and relieve stress. Talking things through with a

friend may also help you find solutions to your problems. Read about 5 steps to mental wellbeing, including the benefits of connecting with other people. Have some "me time" Many of us work long hours, meaning we often don't spend enough time doing things we really enjoy.

It's important to take some time for socialising, relaxation or exercise. You could try setting aside a couple of nights a week for some quality "me time" away from work. Challenge yourself setting yourself goals and challenges, whether at work or outside, such as learning a new language or a new sport, can help build confidence. This may help you deal with stress. It can also make you want to do things and be active. Avoid unhealthy habits they might provide temporary relief, but in the long term, these crutches will not solve your problems. They will just create new ones.

Help other people if you do not have time to volunteer, try to do someone a favour every day. It can be something as small as helping someone cross the road or going on a coffee run for colleagues.

The event ended with a vote of thanks given by Prof. S. S. Aagale.

Event Report:-

It was 30 July Shri Chhatrapati Shivaji Maharaj College of Engineering, Ahmednagar, organized a program to plant 25 saplings and young trees. The objective of this event was to teach students, how we can save our climate from pollution. This was a great initiative to make our atmosphere neat and clean. By tree plantation, we can develop a climax ecosystem free of greenhouse gases to reduce global warming.

The program started with welcome function of Adv. Vishwasrao Athare Patil, additional secretary, Ahmednagar Jilha Maratha Vidya Prasarak samaj, Ahmednagar was invited as a chief guest there. He started the event by planting the first sapling in the corner of the college garden with his hand. Plants were provided "Parlour Palm" And "Ficus". About 25 seedlings were planted by the students of our campus and then watered by gardeners of the school.

At the end, the Principal addressed and thanks to the chief guest for coming and participating in that fruitful activity. Giving their precious time. Overall, this was an excellent and glorious event for all.

Name of Event: Tree Plantation

Name of Coordinator: Prof. G. S. Patil

Participants: Teaching, Non-Teaching Staff and Students

Date: 22/07/2022

Event report:-

Continuing with its tradition of preserving the environment and having ecofriendly activities, the "Tree Plantation Event" was conducted in the campus of Shri Chhtrapati Shivaji Maharaj College of Engineering, Ahmednagar, 22nd July 2022.

Understand the importance of nature for our existence and conserve the nature in all manners, is our moral responsibility. It's not too hard to believe that without trees we, humans would not exist on this beautiful planet. Also, we have felt the change of purity in nature and reduction in pollution effect during this pandemic situation. While the latest technology has provided us with many comforts, the consequent urbanization and industrialization also have some undesirable side effects Global Warming is one of those.

The program started with welcoming the chief guest Mr Vaibhav More, ET Officer, Merchant Navy by our Principal Dr Y. R. Kharde.

He started the event by planting the first sapling in the corner of the college garden with his hand. And seeds are provided to boys and girls were seedlings were planted by the students of our campus and then watered by gardeners of the colleges. 30 plants were planted.

The chief guest addressed students, and participating in the Oath "Vriksha Mitra" and said plant every Year at least 10 plant to avoid pollution.

At the end, the principal addressed and thanks the chief guest as or coming and participating in that fruitful activity and also giving their precious time. Overall, this was an excellent and glorious event for all. I felt inner peace by doing something good for my nation.

The event began with welcoming Director, Heads of all departments, all faculties, staff, and students participants at 9:30 AM. More than 100 students, faculties and staff members have participated in the event.

Name of Event: Clean India Campaign 2022

Name of Coordinator: Prof. G. S. Patil

Participants: Faculties, Teaching, Non-Teaching Staff and Students

Date: 15/10/2022

Event Report:-

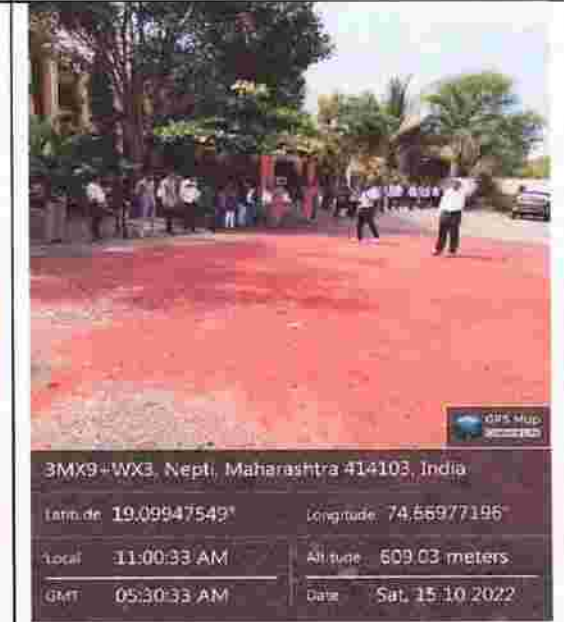

The students of the college undertook a cleanliness campaign of the college campus on 15 October 2022. Under this programme, all the students from SCSMCOE NSS members had participated. Even teachers were the essential part of this drive.

The aim to organize this campaign was to make student aware about cleanness. Clean Campus promotes Hygiene, It improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment sets a good example to students. Cleanliness encourages learners to take pride in their college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment.

The cleanliness campaign was initiated by the Principal. Our Principal Dr. Y. R. Kharde started the program by cleaning the corners of the playground. Groups assigned as four departments namely civil engineering, computer engineering, mechanical engineering and electronics and telecommunication engineering into four group. Then the area of the college is divided into these groups for cleaning. Then the teachers and students followed suit. Some of us picked brooms and started our job. Some of the students did the dusting of the rooms. And others went to the playground and started picking wrappers lying scattered there. After collecting them they threw them in to the

dustbins. After doing this job for two to three hours, we all assembled in the seminar hall. Thereafter our Principal delivered the speech telling us the importance of sanitation. He also honored the sweepers of the school for their noble job. In the end we all took oath of keeping our home, locality, and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country forever. Prof. A.K. Kulkani sir given the vote of thanks and declared program was ended.

Event Report:-

“Cleanliness is next to Godliness.” It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Mahaswachhata Abhiyan is organized by Shri Chhatrapati Shivaji Maharaj College of Engineering at ahmednagar city in collaboration with Nanasahab Dharmadhikari Janmshatabdi Samiti, Municipal Corporation ahmednagar, Police headquarter ahmednagar. The main purpose of this programme was to create awareness among the students and society regarding Cleanliness and its benefits and make aware of student about social responsibilities. Under this programme, all the students from SCSMCOE NSS members had participated. Even teachers were the essential part of this drive. As a part of this Mahaswachhata Abhiyan we had to clean the places in the ahmednagar city.

This drive is arranged in collaboration with municipal corporation of ahmednagar and police headquarter. Before starting the drive, the management of the drive had decided to divide the places of ahmednagar city that needed cleaning among three groups and start drive. SCSMCOE staff and students started had assigned the area from DSP chowk, Chhatrapati Sambhajinagar highway and Pipeline Road. Our Staff and students distributed the places among them and had reached that place. Then the teachers and students had picked brooms and started their job. Some of the students did the dusting of the roads. And others went to the collect plastic bags and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for two to three hours, we all assembled at parijat chowk. There we were given refreshment to staff and students.
