Subject : Invitation as a Resource Person for Seminar on "Scope in Government Sector Jobs through IBPS and SSC"

Respected Sir,

We are pleased to invite you as a Resource Person for Seminar on "Scope in Government Sector Jobs through IBPS and SSC" on Wednesday 21/09/2022 at 11:00 am. Your expertise and knowledge in the area would add a great value to the one and all, especially the budding engineers of the country who require the guidance and path-breaking ideas to lead their way through the tough competition in the Global market on this day.

With your vast and in-depth knowledge in the area, you would be expected to deliver on the "Scope in Government Sector Jobs through IBPS and SSC" as we are aware of your great contribution to this field of work.

We look forward to your presence and guidance in making the event successful.

Thanking you.

Yours faithfully

**Subject : Invitation as a Resource Person for Seminar on "Entering the World of AIML
(Artificial Intelligence and Machine Learning)"**

Respected Sir,

We are pleased to invite you as a Resource Person for the Seminar on "**Entering the World of AIML (Artificial Intelligence and Machine Learning)**" for our BE students scheduled on **12th September 2022 at 11am**. Your expertise and knowledge in the area would add a great value to the one and all, especially the budding engineers of the country who require the guidance and path-breaking ideas to lead their way through the tough completion in the Global market on this day.

With your vast and in-depth knowledge in the area, you would be expected to deliver the seminar on the "**Entering the World of AIML (Artificial Intelligence and Machine Learning)**" as we are aware of your great contribution to this field of work.

We look forward to your presence and guidance in making the event successful.

Thanking you.

Yours faithfully

Report on

“Seminar on Entering the World of Artificial Intelligence and Machine Learning”

Event Title : Seminar on Entering the World of Artificial Intelligence and Machine Learning

Date : 12th September 2022

Venue : Savitribai Phule Seminar Hall, SCSMCOE.

Name of the Organizing Department : Training and Placement Cell

Sponsoring Organization(s):

No. of Sessions: 01

No. of Participants: 60

Overview:

Artificial intelligence is a technology which enables a machine to simulate human behaviour. Machine learning is a subset of AI which allows a machine to automatically learn from past data without programming explicitly. The goal of AI is to make a smart computer system like humans to solve complex problems.

Objectives:

1. To provide a platform for participants to discuss on Artificial Intelligence and Machine learning with basics and Advance prospective
2. To explore the opportunities and Challenges in the area of Artificial Intelligence and Machine learning to offer insights into exciting advancements in technology.
3. The real world implementation of AI and explore how they have changed our lives. Session:

Topic: Entering the World of Artificial Intelligence and Machine Learning

Resource Person: Mrs. Prachi Pawar, Center Head, SEED Infotech, Ahmednagar

Machine learning and artificial intelligence has become much popular technologies for humans. Artificial Intelligence (A.I.) is a multidisciplinary field whose goal is to automate activities that presently require human intelligence.

Conclusions:

1. Students were introduced to Artificial Intelligence and Computer vision where they learned basic aspects of Artificial Intelligence and its applications.
2. Students have been equipped with a strong basic and innovative ideas in the domain of Artificial Intelligence and Machine learning, which will help them to carry out advanced courses in AI and its sub-field required for placements.

Notice

All the Students of S.E., T.E., B.E. Civil are hereby informed that the guest lecture is organized on **Remote Sensing and G.I.S.** by **Mr. Vaibhav Bhagwan Kashyap** from Karad, Dist Satara in Seminar hall at **11:00 am on Wednesday 10/08/2022** .

Mr. Vaibhav Bhagwan Kashyap is M.Tech in **Environmental Science and technology**, from Shivaji University, Kolhapur, Along with it, He had completed a **GIS and Remote Sensing Diploma** from Karad. He also did a patent on **Free Energy Generation and Utilization for AWG**. Also did **five project on GIS and Remote Sensing**. He is a government contractor and builder, running his own firm called Vishwakarma Construction.

The guest lecture will be on GIS and Remote Sensing. This particular lecture will focus on **implementation of GIS and Remote Sensing toward Civil engineering projects such as Analysis of landslide hazard zones, for Taxation project, Route Analysis, Urban Expansion etc.**

Respected Sir,

We are pleased to invite you as a Guest Lecturer on topic "**Remote Sensing and GIS**" scheduled on **Wednesday 10/08/2022 at 11:00 am**. Your expertise and knowledge in the area would add a great value to the one and all, especially the budding engineers of the country who require the guidance and path-breaking ideas to lead their way through the tough completion in the Global market on this day.

With your vast and in-depth knowledge in the area, you would be expected to deliver on the "**Remote Sensing and GIS**" as we are aware of your great contribution to this field of work.

We look forward to your presence and guidance in making the event successful.

Thanking you.

No. of Sessions : 01

No. of Participants : 100

On the 10th August 2022, the guest lecture on the topic of **“Remote Sensing and GIS”** organized at Savitribai Phule seminar hall for SE and BE student. The guest lecturer was Vaibhav Kashyap invited for guest lecture in our institute Shree Chhatrapati Shivaji Maharaj Collage of Engineering, Nepti. -

For the guest lecture Hon. Principal Sir, HOD of all departments, faculty and student are present. In this lecture, Mr Vaibhav Kashyap interact with the student on focus on rapidly development and use of remote sensing and GIS in civil engineering as well as other branches of engineering and get opportunities in their career in remote sensing and GIS sector. He also explains how to use remote sensing and GIS in civil engineering field to overcome problems like urbanization and transportation, agriculture, natural resources and management, national security. He also explains applications of GIS in various Fields such as agriculture and soil, forest, biodiversity and environment, engineering and geology, regional land development, marine and oceanography, disaster management, meteorology and water. He demonstrate one of his project on GIS i.e. watershed delineation of Kolhapur district.

All the above information is very useful for activities of placement for each and every student.
