**Subject : Invitation as a Resource Person for Seminar on “Entering the World of AIML  
(Artificial Intelligence and Machine Learning)”**

Respected Sir,

We are pleased to invite you as a Resource Person for the Seminar on “**Entering the World of AIML (Artificial Intelligence and Machine Learning)**” for our BE students scheduled on **12<sup>th</sup> September 2022 at 11am**. Your expertise and knowledge in the area would add a great value to the one and all, especially the budding engineers of the country who require the guidance and path-breaking ideas to lead their way through the tough completion in the Global market on this day.

With your vast and in-depth knowledge in the area, you would be expected to deliver the seminar on the “**Entering the World of AIML (Artificial Intelligence and Machine Learning)**” as we are aware of your great contribution to this field of work.

We look forward to your presence and guidance in making the event successful.

Thanking you.

# “Seminar on Entering the World of Artificial Intelligence and Machine Learning”

**Event Title :** Seminar on Entering the World of Artificial Intelligence and Machine Learning

**Date :** 8<sup>th</sup> September 2022

**Venue :** Savitribai Phule Seminar Hall, SCSMCOE.

**Name of the Organizing Department :** Training and Placement Cell

**Sponsoring Organization(s):**

**No. of Sessions:** 01

**No. of Participants:** 60

### **Overview:**

Artificial intelligence is a technology which enables a machine to simulate human behaviour. Machine learning is a subset of AI which allows a machine to automatically learn from past data without programming explicitly. The goal of AI is to make a smart computer system like humans to solve complex problems.

### **Objectives:**

1. To provide a platform for participants to discuss on Artificial Intelligence and Machine learning with basics and Advance prospective
2. To explore the opportunities and Challenges in the area of Artificial Intelligence and Machine learning to offer insights into exciting advancements in technology.
3. The real world implementation of AI and explore how they have changed our lives. Session:

**Topic:** Entering the World of Artificial Intelligence and Machine Learning

**Resource Person:** Mrs. Prachi Pawar, Center Head, SEED Infotech, Ahmednagar

Machine learning and artificial intelligence has become much popular technologies for humans. Artificial Intelligence (A.I.) is a multidisciplinary field whose goal is to automate activities that presently require human intelligence.

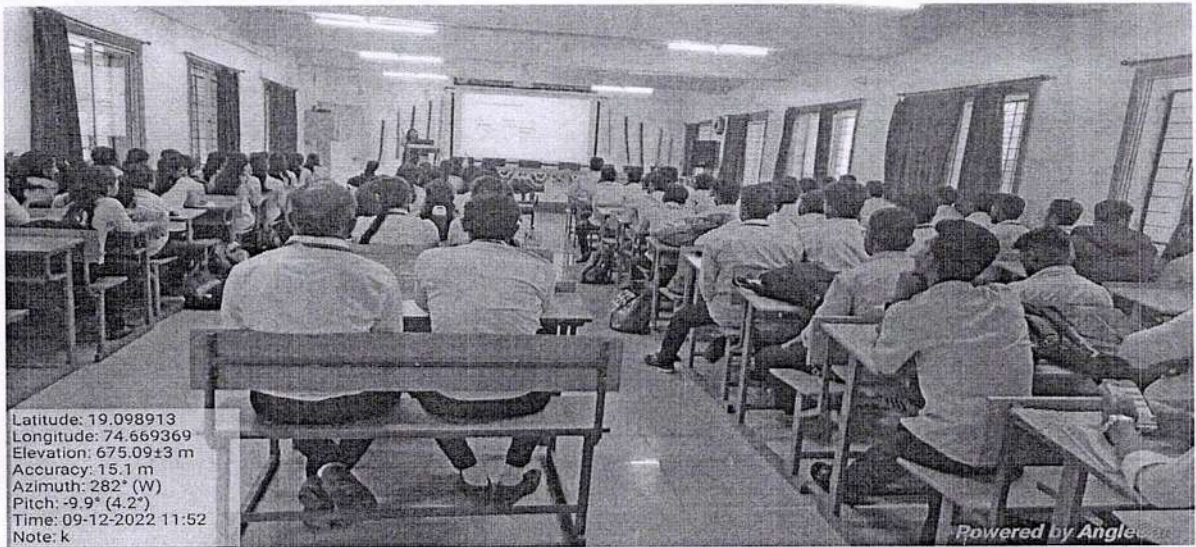

### **Conclusions:**

1. Students were introduced to Artificial Intelligence and Computer vision where they learned basic aspects of Artificial Intelligences and its applications.
2. Students have been equipped with a strong basics and innovative ideas in the domain of Artificial Intelligence and Machine learning. which will help them to carry out advanced courses in AI and its sub field required for placements.
