## Environmental Policy

A green campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus.

Shri Chhatrapati Shivaji Maharaj College of Engineering, Ahmednagar is a quality conscious institution. It protects its own environment with its green campus initiative and keeps campus pollution free. Environment development is its basic work with the educational policies implemented on the campus. Environmental conscious administration, the management and the students of the college look after the environment carefully. Every year, during rainy season, we do tree plantation and carefully look after it. It's our own responsibility to preserve the work done on the campus related to the environment.

The college always raises awareness of environmental issues among its students/staff/visitors and creates awareness regarding environmental policy amongst the students and encourages initiatives leading towards a clean environment by following ways.

1. Maintaining pollution free campus by avoiding tobacco, pan-masala chewing on the campus. As per the government rules and regulations regarding the instructions of tobacco free campus, signboards are displayed at strategic places in the institution.
2. Maintaining plastic free campus by avoiding use of plastic and its toxic impact on people and the environment.
3. Using Solar Energy as alternate energy source by installing Solar PV plant and Solar water Heaters.
4. Progressive replacement of light bulbs with energy efficient ones.

5. Sensitizing the students and staff regarding the use of drinking water properly for which, we have provided purified drinking water facilities on the campus.
6. Harvesting rain water through 'Rain Water Harvesting' system in the campus. Right now 'Rain water harvesting' unit is under construction.
7. Maximizing the use of ICT tools and minimizing the use of paper. It will help to go towards 'Paperless Office'.
8. Decomposing the solid waste through vermicomposting plant and using it as a fertilizer for trees and plants in the campus.
9. Using dust bins to keep college campus clean.
10. Minimizing the consumption of electricity where opportunities arise by.
11. Conserving the energy by promoting use of daylight.

**Name of Event: Tree Plantation**

**Name of Coordinator: Prof. G. S. Patil**

**Participants: Teaching, Non-Teaching Staff and Students**

**Date: 30/06/2022**

**Event Report:-**

It was 30 July Shri Chhatrapati Shivaji Maharaj College of Engineering, Ahmednagar, organized a program to plant 25 saplings and young trees. The objective of this event was to teach students, how we can save our climate from pollution. This was a great initiative to make our atmosphere neat and clean. By tree plantation, we can develop a climax ecosystem free of greenhouse gases to reduce global warming.

The program started with welcome function of Adv. Vishwasrao Athare Patil, additional secretary, Ahmednagar Jilha Maratha Vidya Prasarak samaj, Ahmednagar was invited as a chief guest there. He started the event by planting the first sapling in the corner of the college garden with his hand. Plants were provided "Parlour Palm" And "Ficus". About 25 seedlings were planted by the students of our campus and then watered by gardeners of the school.

At the end, the Principal addressed and thanks to the chief guest for coming and participating in that fruitful activity. Giving their precious time. Overall, this was an excellent and glorious event for all.

**Name of Event: Tree Plantation**

**Name of Coordinator: Prof. G. S. Patil**

**Participants: Teaching, Non-Teaching Staff and Students**

**Date: 22/07/2022**

**Event report:-**

Continuing with its tradition of preserving the environment and having ecofriendly activities, the "Tree Plantation Event" was conducted in the campus of Shri Chhtrapati Shivaji Maharaj College of Engineering, Ahmednagar, 22<sup>nd</sup> July 2022.

Understand the importance of nature for our existence and conserve the nature in all manners, is our moral responsibility. It's not too hard to believe that without trees we, humans would not exist on this beautiful planet. Also, we have felt the change of purity in nature and reduction in pollution effect during this pandemic situation. While the latest technology has provided us with many comforts, the consequent urbanization and industrialization also have some undesirable side effects Global Warming is one of those.

The program started with welcoming the chief guest Mr Vaibhav More, ET Officer, Merchant Navy by our Principal Dr Y. R. Kharde.

He started the event by planting the first sapling in the corner of the college garden with his hand. And seeds are provided to boys and girls were seedlings were planted by the students of our campus and then watered by gardeners of the colleges. 30 plants were planted.

The chief guest addressed students, and participating in the Oath "Vriksha Mitra" and said plant every Year at least 10 plant to avoid pollution.

At the end, the principal addressed and thanks the chief guest as or coming and participating in that fruitful activity and also giving their precious time. Overall, this was an excellent and glorious event for all. I felt inner peace by doing something good for my nation.

The event began with welcoming Director, Heads of all departments, all faculties, staff, and students participants at 9:30 AM. More than 100 students, faculties and staff members have participated in the event.
